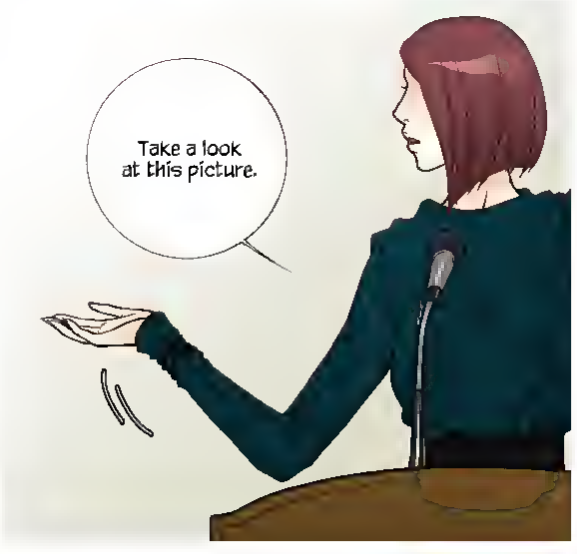
"...wut. Who would believe this super ridiculous news? For reals.."

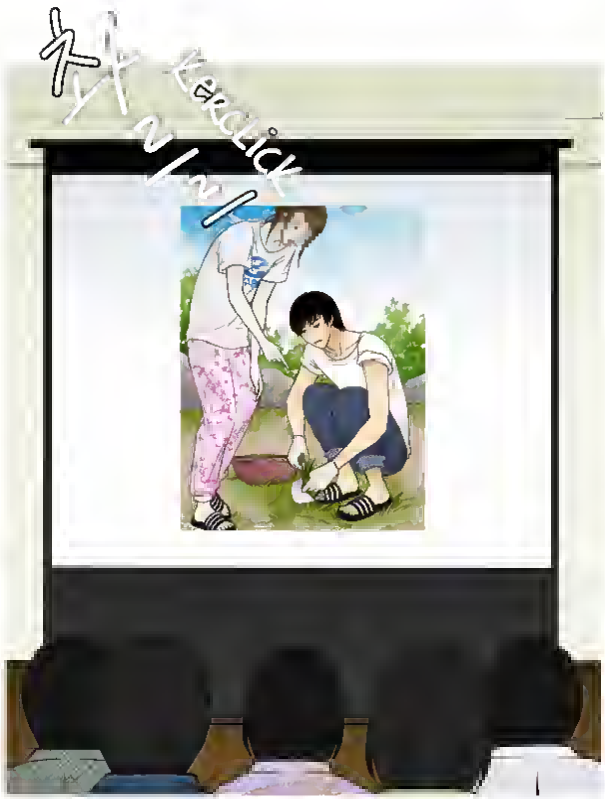
Hello viewers. This is "Celebrity Today."
(TN: BACKGROUND SAYS "CELEBRITY TODAY")
There has been an update on the news about actor, Jung Yu Shin's disappearance

THE TRUTH ABOUT WHAT
HAPPENED TO JUNG YU SHIN
The company that refused to say anything about his whereabouts throughout the investigation have finally opened their mouths
Here is the company CEO at the press conference, let's have a look.

In the midst of the investigation, a citizen gave us this crucial tip-
It has been confirmed that Jung Yu Shin has been kidnapped and is now confined on this secluded island.



Take a look at this picture.



KeKeLiCK

As you can see from the photo,
수임
Jung Yu Shin was kidnapped by this woman, an obsessed fan.

In addition, all those in the village united, became accomplices in crime,
and they exploit him as a slave laborer.

This island is so small and remote that it is difficult to find on any map.
That was why during the investigation we could not find him no matter how hard we tried.

FIND OUT MORE ABOUT THE ABDUCTION & CONFINEMENT OF JUNG YU SHIN

I don't understand,
Why are these two kidnappers given human rights?
His agency shouldn't dawdle around and capture that XX,
release their identities and through them in the slammer!
Those criminals —How dare they lock up and exploit someone like this?
At least they didn't kill him, XX —

The villagers banning together at that grungy, isolated place.. That's creepy:)

RobbyShou
Why aren't the netizens use their CSI skills to find this girl's personal information lolololol

CalmMulXSeo
That XX deserves to be put in solitary confinement in a mental hospital forever
People like her need a wake-up call A slap

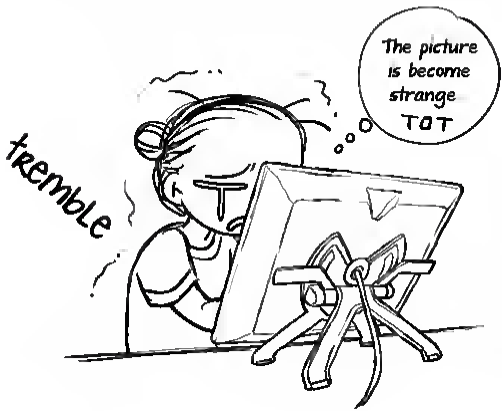
And so...the chronic disease of an manhwa-ga, wrist pain occured. T_T



As the [illegible] continued, my stamina fell and my hands had chronic pain and [illegible] (I didn't drink any alcoholic drinks either T_T). When I tried to exert pressure on my hand, the pain just got worst.

In the end, I had no choice but to take a week-long break... (And again, I apologize. T_T)

...But once the wrist aches began, it [illegible] easy to [illegible] and draw again ㅇㅇ

How many times did I [illegible] back the deadline, inconveniencing people, [illegible] I barely finished the manuscript...T_T

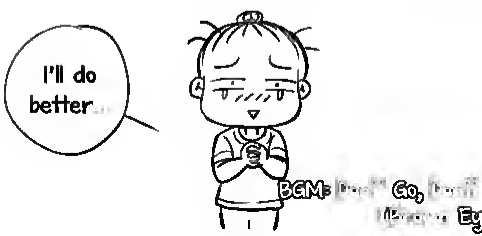
...Then finally, the concluding chapter came and I still pushed completion to a day late...T_T

I fell into a sea of self-torment...

...Nevertheless, everyone who stayed with me until the end... I'm lucky to have you.



For those who don't know,
my clumsy first work was "Model."

Although I felt a lot of regret,
the second time around was better. I worked
really hard so it'd do well so rather than
